## Presbyterians To Hear Dr. Larrick

In keeping with the Easter Season, The Everglades Presbyterian Church will conduct special Easter Services, next Sunday. Easter sunrise services will be held at 6:00 a. m. Easter Sunday morning, March 28th. At the evening service at 7:30 p. m., Dr. A. R. Larrick, Executive Secretary, Home Missions Committee, Plant City, Florida, will deliver the sermon. As previously announced, all services are now being held in the new manse on the Pahokee Road.

Sunday school will be held as usual at 9:45 a. m. Everyone in the Everglades, or Lake Area, is invited to attend all services of The Everglades Presbyterian Church. In order that everyone might know about The Presbyterian meeting place, the manse is designed in such a manner as to provide an ideal meeting home until a regular church building can be completed and you are welcome to come out and inspect the manse.

Last Sunday evening, the pulpit of the Everglades Presbyterian Church was ably filled by Rev. Herman Dam of the Clewiston Community Presbyterian Church. Rev. Dam brought with him 15 junior choir singers from Clewiston. This little group made a wonderful impression on the congregation and exemplified fine work on the part of Rev. Dam and his leaders at Clewiston.

At the Easter Sunday services, collections will be taken at all services and the entire proceeds from Easter collections will go to the manse fund. Treasurer Kirkman continues to receive contributions which are welcomed as the Church hopes to continue their building program as rapidly as possible. To all those who have no regular place of worship, please remember that you have a cordial welcome with the Presbyterians.

## Clements Asks For Sheriff's Place

J. D. Clements, Jr., resident of West Palm Beach since 1925, today announced his candidacy for the office of Sheriff of Palm Beach County, subject to the Democratic Primary, May 4th. Mr. Clements had previously announced for Constable in the Third District, but is withdrawing from this contest to run for sheriff.

A graduate of Palm Beach High School in 1929, he attended the University of Florida, and, having completed necessary training in criminal identification and detection, was appointed a Deputy Sheriff of this county in charge of the Bureau of Identification January 1941. He held this position under two sheriffs with the exception of the time spent in the service from 1942 until 1944, resigning in November 1947.

Mr. Clements says "I was persuaded by my friends and supporters to announce for sheriff, and sincerely feel that many years of actual working experience as a Deputy Sheriff of Palm Beach County enables me to know how to properly operate your sheriff's department. I want to emphasize that I have no affiliation with any candidate in this or any other political contest."

"If elected, I promise that all employees of your sheriff's department will be properly trained and qualified, and will be established residents of Palm Beach County."

"When I was your County Identification Deputy, I was available at all times to other law enforcement agencies. All branches of your sheriff's department will be equally cooperative, available and courteous under my supervision."

Mr. Clements is married and is a member of the American Legion, Elks, Optimist International, National Sheriffs Association, Florida Peace Officer's Association, and is an associate member of the Junior Chamber of Commerce.

Preceding the rendering of the cantata, Christ in art with His life from boyhood will be conducted by Miss Christine Unwin accompanied by Rev. C. A. Moberg in a gospel hymn concert on the solovox. Some thirty persons will participate in the entire program.

This same group with a few exceptions presented the Christmas program of last December. This mentioned because of the most favorable manner in which it was received, to the extent that a repeat rendering was requested. It was with regret that this could not be done. The same is the situation as regards the Easter cantata, hence, all who are interested are urged to make every effort to be present. The program will be presented at eight o'clock.

## Erosion Action

Anna Maria islanders have taken a significant step toward establishment of a beach erosion control district and are entitled to something more than moral support from Manatee County as a whole.

Acceptance of a recommendation submitted by a committee of the Anna Maria Civic Association has been followed by circulation of petitions for an election to establish the proposed district. Approval of this plan will necessitate a second election to pass upon a bond issue for setting up and maintaining the district. These measures would help the island become eligible for outside aid.

While state or federal funds eventually may be obtained for a beach stabilization program, the Anna Maria project also needs county-wide support.—Bradenton Herald.

## SHORT-CUT to Accident--

The quickest way across the street can be the most dangerous way. To cross in the middle of the block, rushing out from between parked cars, can be and too often is a short cut to accident — *and death!*

In Florida, 170 people were injured, 71 fatally, from these causes alone in our *first peace year*. In 75% of pedestrian accidents the victims were walking in such a way as to contribute to their own demise. Actually, drivers in relation to pedestrians are more careful.

Florida accident records for 1946 indicate that jaywalkers are even more plentiful and careless and are pushing the pedestrian casualty rate to a new high. Someone must do some life-saving — and that someone is *you*.

When you cross a street or highway, be personally responsible for your own safety. Don't expect the other fellow to look out for you. Cross with the light if there is one — with greatest caution if there isn't. It's up to *you* to walk safely and live longer.

Mr. Motorist—

**CHURCH OF CHRIST, SCIENTIST**

"REALITY" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on March 28.

Scriptures" by Mary Baker Eddy: "It is unwise to doubt if reality is in perfect harmony with God, divine Principle,—if Science, when understood and demonstrated, will destroy all discord,—since you admit that God is omnipotent; for from this premise it follows that good and its sweet concords have all-power" (130:9).

## "Robin Hood" Will Be Staged In Belle Glade

Robin Hood is coming to the stage of the Everglades Theatre in Belle Glade on Easter Monday, March 26th. This is the third stage production of the Clare Tree Major's Children's Theatre of New York which the Business and Professional Women's Club has sponsored this year.

The first scheduled play "Mrs. Wiggs of the Cabbage Patch" was cancelled because of the hurricane. The second play, which was presented, was "Heidi". This was given February 23rd. Robin Hood

is a merry tale, full of laughter and action, with adventure piled on adventure. The men in Lincoln Green and their gallant leader provide a period of pure enjoyment for children and adults alike.

Parents are urged to share this evening of clean entertainment with their children. The local club is especially anxious to make it a father-son and mother-daughter night that parents will be drawn closer to their children in the enjoyment of an evening's entertainment together.

Curtain time is 8:15 p. m. There will be no advance sale of tickets. Box office prices are \$1.10 for adults and fifty cents for both elementary and high school students.

### Teachers, Officers In Baptist Monthly Meet

The monthly teachers and officers meeting of the Sunday School of the First Baptist Church of Pahokee, was conducted Monday night in Fellowship Hall. The spirit of Easter was much in evidence thanks to the table decorations by the committee, the Mesdames Bob Douthit, W. M. DuBose and W. Tillis. Following a most delightful time of fellowship in terms of fried chicken a la Easter, the business of the occasion was entered into.

Prayer for a most successful and inspiring Easter day was led by Ralph Grimes. The program was brought to an interesting conclusion with three teams participating in a Bible Quiz based upon the resurrection theme. Mrs. H. L. Speer and her group emerged with the most points and were rewarded with candy eggs. Some forty were in attendance.

### National Guard Unit Explained To Lions

Plans for organizing a National Guard unit for the Pahokee-Canal Point area were announced by Rev. A. J. Lively, former Army chaplain, at the Tuesday luncheon meeting of the Pahokee Lions Club. Rev. Lively said that young men of 17 years or older are eligible to join the National Guard and those who enlist will have the privilege of training at home should the proposed compulsory universal military training bill become a law. He also said that if the unit is organized an annual payroll of approximately \$50,000 will be distributed in this area.

Myers Fountain, Palm Beach Post-Times circulation agent for the Glades area, and Perry Duke, Pahokee postoffice clerk, were introduced by Duncan Padgett as new members.

On the program Rev. William T. Blair, pastor of the Canal Point Methodist Church, gave a talk on "The Business of Living." He was introduced by Rev. C. T. Howes, program chairman.
